

HAVE A GO JUMPING CLINIC

At TOLLARD PARK EQUESTRIAN CENTRE

Sunday 8th January 2012

With Gilly Wheeler BHSI

This clinic can be designed around you and your horse. For the jumpers amongst you, it would be a good opportunity to work on your position and improve your technique. For those of you who have never jumped before or just terrified at the prospect of leavening the ground; it would be a great opportunity to make a start. It can be great fun working in groups with friends and you can encourage each other which can help to build confidence. £25 per person Payable in advance to G. Wheeler- Refunds if your place can be filled

Group Options (3/4 people per group)

- ✓ Working on jumping position over poles - progressing to a small jumps if confident and ready to do so
- ✓ Improving position and working over single fences approximately 2ft
- ✓ Improving position and jumping technique approximately 2ft 6in – 2ft 9

Gilly has coached many riders from the very novice to those more advanced competitors. She is very understanding and knows when to encourage and build confidence but can challenging the more experienced rider. Check out the website and testimonials
